What is Empty Bowl?

A grass-roots effort to raise funds for local food programs. The Red Wing event is raising money to continue the United Way Packing for the Weekend Program. The event is open to the public. At the event, we feature vintage bowls and handmade ceramic bowls for our guests, created by local artists. Entertainment by music students and a light soup lunch are enjoyed as we come together to raise awareness and funds for local hunger.

United Way of GWP's Packing for the Weekend is beginning its 13th year ensuring no child goes hungry when school meals are not available. Just like you, our food prices continue to increase, but costs less than \$10 to feed a child for an entire weekend. Last year we fed over 200 students each week.

Studies show that good nutrition not only helps with physical growth, it also lessens anxiety, increases school attendance and attention levels. Children shouldn't have to worry about when they will eat next.
